## German Girls Here To Learn Ways Of USA

Roosevelt attracted three of the 73 Rotary sponsored German exchange students attending Michigan high schools this year.

Karin Moeller, Hannelore Kolb, and Brigitte Erhard have been brought to America by the international service organization to gain firsthand impressions of democracy at work in the USA.

**Mixed Classes Wonderful**  
"Mixed classes are wonderful," says Karin, who went to a Stuttgart school for girls. But Hannelore; a native of Beyreuth, says they are pests. She says however, mostly about her German boy classmates in a class with only three girls to fight back.

Karin wishes to be a painter; "Arts I like especially," she says: "dancing, music, painting, and drawing. I don't like comic books."

Hannelore likes tennis, swimming, and dancing. She has two brothers, and a sister she left home.

Brigitte Erhard, the third German attending

Ypsilanti, went to a girls' school in Waebisch Hall, Germany where he plays the violin and

seven years of age one of the three girls had difficulty with the language.

Karin has still four more months of school work to do.

## Autoing, Working, Students Report Widely

Everything from baby sitting to touring to loafing occupied time of Roosevelt's ambitious vacationers this summer. Most of those who ventured far from home took auto trips. Trips were the second most popular attraction—Boy Scout, 4-H, church camps. Fairs, carnivals, tennis and sun-cottages, fishing and sum-

## RHS Grads Merit Foundation Aid

Marvin Staplin and Edward Planchon have scholarships from the Student Aid Foundation of Michigan for Michigan State Normal and University of Michigan respectively. Mary is on a history course, while Ed is on foreign service.

Through the SAF program, worthy students are given funds toward their first two years of college; thereafter, even to graduate schools, the funds are in the form of loans, to be repaid by each student when he is able.

The only other Roosevelt graduates to receive the award were Joy M. Miller, a 1949 junior, and Shirley L. Brand.

### Principal's Message

Another school year is well under way. We are all starting out with new enthusiasm and with high hopes that this year will be the best that Roosevelt has ever had. It can be if every one tries to do his very best.

I wish to encourage all of you, old and new, to make every day an experience in friendliness, co-operation, effort. I hope that you will be among those who continue

## *Class History*

As an ambitious class of 60, we attained the position of frosh in 1948. We were well represented in athletics and fun nites. Our real debut was held at the Spring Party given by the seniors. We acquired our sponsors: Miss Pearle Baxter, Miss Thelma McAndless, and Mr. Louis Golczynski.

We were initiated by the class of '51 at the Sophomore Reception, and we sponsored the formal Christmas party, The Silver Swirl. Class officers were Gus Karis, Beverly Lounsberry, Laurie Barenow, and Peggy Baker. We closed our second year with a picnic at Walled Lake,

In our Junior year we initiated the class of '53 at the Sophomore Reception. Gus Karis, Joe Kelly, Laurie Barenow and John Allen were our class officers. Joe Kelly was elected to vice-presidency of the Student Council. Mary Shaw garnered the secretary-treasurer's position the previous year. Laurie Barenow was elected to be the Homecoming Queen. We sponsored the Junior-Senior Prom. And yes, our picnic to Walled Lake closed the calendar on our junior year.

At last! We were seniors! The stairs were ours, and we kept ourselves busy every minute. Class officers were Phil Wiard, Frank Paduan, Laurie Barenow and Alice Waterbury. Alice Waterbury was our Homecoming Queen. We joined Roosevelt's Alumni group, and we attended the Prom all on the same night, May 16. We made our Senior trip to New York, and the next week was our Baccalaureate. We finally marched down the aisle of Roosevelt's Auditorium for the last time on Friday the 13th of June as we graduated from Roosevelt High School.

# Rider Five Takes District Tourney

## Trounce Saline, University High Edge St. Thomas To Cop Trophy

After a dismal season, Roosevelt's last place Huron League vellers rebounded magnificently to romp through the district tournament March 6, 7, 8, and 9 to RHS its first basketball trophy since 1936, when the team went on to win the regional championship.

### Saline First to Fall

Thursday, March 6, Roosevelt dashed Saline, Huron League champs, 44 to 24. Tom Kidd cracked up a new individual scoring record by pumping 24 points to eclipse the old record of 23 held jointly by Eugene Youngs, '44, and Bob Moorman, '44. Bob after playing on the backboards showed with 14. Defensive play was equally brilliant as the Riders held Saline's leading scorer, Gonser, to but one point. His score practically reversed the 47-29 beating they gave Roosevelt earlier this year.

### Record Set in U-High Game

Friday, the "Red-hot Riders" overwhelmed University High school, 61-44. Thereby they overshadowed by five points a previous team-scoring record set in 1939 district competition. Johnny Williamson, who after good defensive ball thumping in the tournament, scored 18 points with his driving. Tom Kidd and Bob Prater played with 17 and 11 respectively. In torrid pace, Dick Schill demonstrated stellar play, and John Gray, the ball-stealer.

**Point Margin Licks St. Thomas**

Saturday night was another St. Thomas' pick-up game. This time by a much larger margin. It found the Riders in a 10-point deficit. In the second half, John Gray came into his own, a cool, sure fire gun. He was the only closed unclipped in the last quarter. When he shot, they put the game on ice with quick buckets. In the final quarter, scoring was spread evenly among the five starters. The last quarter was the most exciting of the tournament for the RHS fans who had cheered the team throughout

### McClure, Relay Win In Last Swim Meet

Roosevelt's last home meet of the 1951-52 season ended in defeat, Feb. 22, by the score of 53-31 as only two firsts were garnered by the Rough Riders.

Jack McClure won the diving easily, and the medley relay won with little difficulty.

Those seniors swimming their last home meet were Tom Schill, Pat Cleary, Curt Addison, and Captain Larry Gray.

The Big Reds of Milan outscored the locals on the High floor 34-25, Feb. 23.

## Football

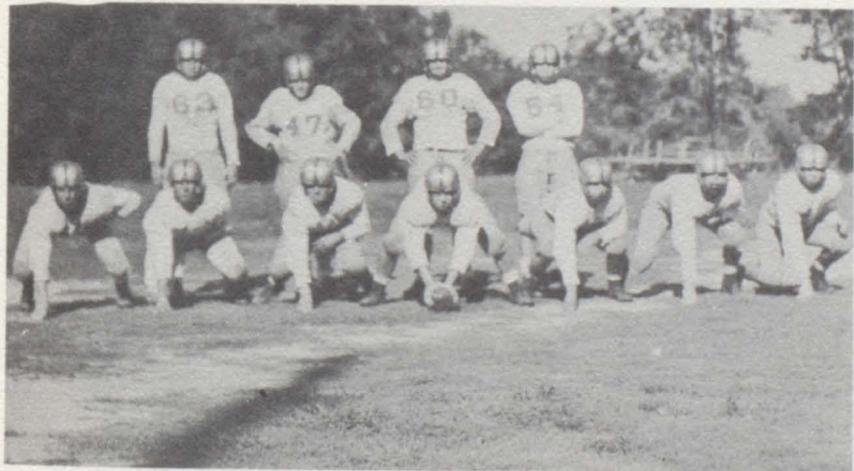

"Football and basketball were hardest for me to coach," says Mr. Walker, "track's the easiest." But, during these many years he had developed three really outstanding athletes; Paul and Johnny Johnson to baseball, and Dale Stump to Football. Besides coaching and teaching Mr. Walker is a member of the Ypsilanti Kiwanis Club and helps out the local recreation department whenever possible. The staunch figure of one of Roosevelt's most memorable men in sports has, after twenty-five years of untiring service, given way to his cherished job. At the closing whistle of the Saline game in the first part of November, Arthur Walker completed his coaching of football.

## *Girls' Athletic Association*

The Girls' Athletic Association has followed the point system which was introduced last year. Under this system, a girl has to earn a certain number of points to become a member. The girl starts earning points whenever she wishes, usually starting in the freshman year and becoming a full-fledge member in the sophomore year.

Many sports were offered this year, and the members also sponsored many activities, such as, dime dances, fun nites, and a dinner honoring boys who participated in sports.

This year has been a good one, and there is every indication that next year will be even better.

## Student Council

On behalf of the Roosevelt Student Council, I wish to congratulate all those who attended meetings, helped to represent and determine opinions, for they have done a fine job in improving our school. Through this 1951-1952 season, the Council has enjoyed one of its most successful years, thanks to the cooperation of the whole student body.

Tom Kidd, President

This year's Student Council has sponsored numerous activities, which have helped to increase student participation in school projects. Included among these projects were fun nites, dime dances, the magazine sale, Homecoming program, and a sponge week party. The Council members plus the ex-officio committee chairmen have all contributed their time and work to improve our school.

"Hey you"! Yells resound through the halls, as some scared underclassmen is waylaid by a senior. A fate worse than this couldn't have befallen anyone. He has been caught on THE STAIRS----.

The penalty for trespassing here is well known throughout Roosevelt.

A summons is served in Assembly followed by a session of the Court of Common Appeals. Here the defendant may bring his council and plead his case. After the jury has passed the guilty verdict, the sentence is given by the judge. A sentence which is also well known to all.

Small brushes, normally called tooth-brushes, are handed to the culprits. As the eyes of the school focus on the victim, he or she scrubs the whole stair case or rolls a tiny piece of chalk over a length of carpet, spread along the upper hall!

BEWARE YOU UNDERCLASSMEN !!
